“Preserving Your Family History “

Presented by Lynn Vandevort, GCPL Local History Specialist

Many of us have boxes in our basements and attics full of old documents, photos, family Bibles, slides, textiles, and other family heirlooms. What do we do with them? Should we keep them? How do we store them to keep them safe? Will they make sense to generations to come? Learn about the GCPL Digital Legacy Lab and how it can help you preserve and share your precious family history.

Held at the Geauga County Public Library – Bainbridge Branch, 17222 Snyder Road,

Bainbridge OH 44023 For GCGS Members Only. Registration is required. To register contact
